Gentlemen:

Reference is made to your letter dated February 14, 1984, wherein you have requested an exception to Rule 303-A to permit the commingling of Yates oil production from the State T Well No. 9 with the Glorieta-Paddock Production from the State T Well No. 10. The central battery now serving the State T Well No. 10 will be utilized and a monthly well test will be made on each well using the central battery's test separator.

You are hereby given approval to the above request. Any deviation from your proposed request will be reason to cancel our approval. Our approval is subject to like approval and all requirements of the New Mexico Oil Conservation Division.

Please remit a filing fee in the amount of Thirty (\$30.00) Dollars.

Very truly yours,
