Lea County, New Mexico

Gentlemen:

In accordance with the recently approved commingling order on the above referenced lease, Marbob Energy has implemented same. In addition to the items on the schematic that were submitted with the original commingling request, a 750 barrel tank is located just north of the oil tanks and is being used as a water tank while the water tank is being repaired.

If you have any questions concerning this, please contact me.

Sincerely,

David Martin  
Land Department
