Re: Commingling of oil production on
State Lease No. B-8814-22 into a
common tank battery in Section
27 T-17S, R-28E, Eddy County, New
Mexico

Gentlemen:

Reference is made to your application dated January 22, 1988, wherein you have requested approval to commingle oil production into a common tank battery from the State "B" Well Nos. 1 & 2 and the T. J. State Well No. 1 located in the SW/4SW/4 of Section 27, Township 17 South, Range 28 East, Eddy County, New Mexico.

Since ownership is common throughout and it appears that there will be no loss of revenue to the State of New Mexico through your proposed operation, you are hereby given approval to the above request. Any deviation from your proposed request will be reason to rescind our approval. Our approval is subject to like approval by the New Mexico Oil Conservation Division.

Please remit a filing fee in the amount of Thirty (\$30.00) Dollars.

Very truly yours,

WILLIAM R. HUMPHRIES
