Re: Request for Surface Commingling **Bridges State** Leases
State Lease No. B-1520-1
Lea County, New Mexico

Dear Ms. Pollock:

Reference is made to your letter of May 26, 1992, wherein you have requested our approval to **surface commingle** production from the Bridges State Well Nos. 13-E, 104LT-B and the 108LT-F, Section 25, Township 17 South, Range 34 East.

Since it appears that there will be no loss of revenue to the State of New Mexico as a result of your proposed operation, your request for surface commingling of the above mentioned wells is hereby approved. Any deviation from the substance of your request will be sufficient grounds for rescinding our approval. Our approval is subject to like approval by the New Mexico Oil Conservation Division.

If you have any questions, or if we can be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

JIM BACA
