IN REPLY REFER TO

NMNM-010063 (WC)
3162.3-1 (07337)

APR 18 1994

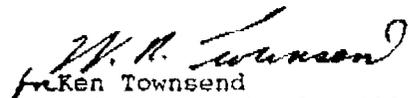

Mr. Kenneth E. Roddy
Roddy Production Company, Inc.
P. O. Box 2221
Farmington, New Mexico 87499-2221

Dear Mr. Roddy:

Enclosed, with no action taken, is your request for approval to combine production from your Well No. 1 Lucerne-Federal, 1190' FNL & 1040' FWL and Well No. 2 Lucerne-Federal, 1080' FNL & 790' FWL, both in the (NW $\frac{1}{4}$ NW $\frac{1}{4}$), of Sec. 17, T. 28 N., R. 11 W., San Juan County, New Mexico. A review of both well files shows that the entire production from both wells is allocated to Federal Lease No. NM-010063.

Please be advised that Federal regulations permit combination of production, for measurement by a common sales meter *without approval on an individual basis*, when the entire production is attributed to a single Federal Lease. If you have any questions, please contact Mr. Errol Becher of this office at (505) 599-6358.

Sincerely,

Ken Townsend
Chief, Branch of Drilling
and Production
