October 31, 1991

Mr. David Catanach
Oil Conservation Division
P.O. Box 2088
Santa Fe, NM 87504-2088

Dear Mr. Catanach:

**Request for Amendment of Commingling Order PLC-67
for Approval of Surface Commingling and Off-Lease
Storage of the Warren McKee Production from the
Burger B-20 No. 4, SW/4 NW/4, Sec. 20, T-20S, R-38E
Lea County, New Mexico**

In a letter dated August 9, 1991, Conoco applied for an amendment to the above referenced Commingling Order No. PLC-67. With a subsequent letter of August 21, 1991, certified mail receipts from the mailing of this application to the working interest and the primary royalty interest owners of the Burger B-20, SEMU Blinbry, SEMU Tubb, and SEMU McKee Leases were forwarded to you.

As you requested, copies of this application have now been sent, by certified mail, to the overriding interest owners of the three participating areas within the Southeast Monument Unit (SEMU) from which production is currently being commingled. Attached is a list of these overriding interest owners and copies of the mailing receipts dated 10/31/91.

As you suggested, when I talked with you on the phone concerning this application, we have commenced operation of this well under your temporary approval pending the completion of these remaining notifications. Thank you for your help in expediting production from this new well in our McKee Waterflood.

If I can be of any further assistance, please call at (915) 686-6548.

Very truly yours,

Jerry W. Hoover
Senior Conservation Coordinator
