Re: Application for Non-Standard  
Proration Unit, No. 1 Danglade,  
NW/4 NE/4, Sec. 24-22S-37E,  
Lea County, New Mexico, 660'  
FNL & 1980' FEL, Sec. 24.

By this letter, we are requesting your consideration in approving a non-standard proration unit for the above captioned well.

The reason we are asking for a non-standard proration unit of 80 acres is that this lease contains only 80 acres, and we were unable to unitize additional acreage to make a standard unit with any of the offset operators.

It is our intention that this well be completed as a dual completion from the Blinebry and Tubb zones. Following is the list of offset operators:

Gulf Oil Corporation, Box 669, Roswell, New Mexico,  
Phillips Petroleum Co., Bartlesville, Oklahoma,  
Olsen Oils, Inc., 2805 Liberty Bank Bldg., Okla. City, Okla.,  
Cosden Petroleum Corp., Box 1311, Big Spring, Texas,  
Ohio Oil Company, Box 552, Midland, Texas.

Your courtesy in regard to this matter is appreciated.

Yours very truly,

*V. Pickett*
