 Due May 3

Mr. A. L. Porter, Jr. (3)
 Secretary-Director
 New Mexico Oil Conservation Commission
 P. O. Box 871
 Santa Fe, New Mexico

Dear Mr. Porter:

We respectfully submit this application for and request approval of
 a 120 acre non-standard gas proration unit in the Blinbury Gas Pool
 consisting of the following acreage:

LEA COUNTY, NEW MEXICO
 TOWNSHIP 21 SOUTH, RANGE 37 EAST
 SE/4 of the NE/4 and the N/2 of the NE/4, Section 9

This unit shall be assigned to our Southland Royalty Company A Well No. 6
 located 1980' from the North and 660' from the East line and in the
 SW/4 of the NE/4 (Unit G) of Section 9, T-21S, R-37E, NE/4, Lea County,
 New Mexico.

The recent dual completion of our Southland Royalty Company A Well No. 6
 located in the SW/4 of the NE/4 of Section 9, T-21S, R-37E, occasioned this
 non-standard proration unit.

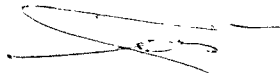

In support of our request for exception approval without notice and
 hearing to Rule 5 (A) of Order R-1670, the following is submitted:

1. This application letter is submitted in triplicate.
2. The non-standard gas proration unit

- (a) consists of contiguous quarter-quarter sections;
- (b) lies wholly within a single governmental section;
- (c) may reasonably be presumed to be productive of gas;
- (d) length or width of proration unit does not exceed 2640';
- (e) lies within the horizontal limits of the Blinbury Gas Pool.

3. By registered mail, copies of this letter are being furnished all offset operators notifying that application is being made for a non-standard proration unit.
4. A plat showing acreage to be dedicated, well location and offset ownership is attached.

Yours very truly,

V. E. Staley
Area Superintendent
