Subject: Application for 120-Acre
Non-Standard Gas Proration Unit
Blinebry (Gas) Field
Lea County, New Mexico

New Mexico Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Attention: Mr. A. L. Porter, Jr., Secretary and Director

Gentlemen:

This is Shell Oil Company's application for a 120-acre Non-Standard Gas Proration Unit in the Blinebry (Gas) Field to be dedicated to Shell Turner No. 5. As shown on the attached plat, this well is located 1980' from the south line and 660' from the east line of Section 22, T-21-S, R-37-E, Lea County, New Mexico.

Shell Turner No. 5 was completed as a Blinebry (Gas) producer in July 1952. We are asking for a reduction in unit size from 160 to 120 acres because of the recent completion of Turner No. 15 as a Blinebry (Oil) producer.

Very truly yours,

R. L. Rankin
R. L. Rankin
Division Production Manager
