Re: N. B. Hunt, Application
for an 80 acre Non-
Standard Proration Unit
Blinebry Gas Pool
Weatherly Well No. 3

Gentlemen:

N. B. Hunt requests Administrative Approval for an 80 acre proration unit for the captioned well. The unit would be comprised of the N/2 of the NW/4 of Section 21, T-21-S, R-37-E, Lea County, New Mexico.

This request is the result of completing Well #5, same lease, as a Blinebry oil well making it necessary to reduce acreage dedication for Well #3 to the above mentioned 80 acres.

Copies of this request have been forwarded by certified mail to Offset Operators as shown on the attached list.

Very truly yours,

N. B. HUNT
