Mr. Joe D. Ramey, Secretary-Director  
Oil Conservation Commission

P. O. Box 2088

RE: State "H" No. 1  
N/2 Sec 7-16S-34E  
Lea County, New Mexico  
State Lease No. L-6938

Dear Mr. Ramey:

We respectfully request administrative approval of a non-standard gas unit for the drilling of the captioned well under the provisions of Rule 104-D-II, inasmuch as the unorthodox size of the unit is necessitated by a variation in the legal subdivision of the U. S. Public Land Surveys. Said well will be drilled at a standard location within the unit.

The proposed non-standard unit contains 303.87 acres and consists of Lots 1 (31.92 acres) and 2 (31.95 acres), E/2 NW/4, and the NE/4 of Section 7-T16S-R34E.

Your early approval of this non-standard unit will be appreciated as we are ready to commence operations on receipt of approval. You will recall that you granted similar approval for the drilling of our State "E" NO. 1 located in Section 6-T16S-R34E, by Administrative Order NSP-1039, by letter dated January 26, 1977.

Yours very truly,

Donald G. Haden  
District Manager
