McClellan Oil Corporation
P. O. Box 848
Roswell, New Mexico 88201

Administrative Order NSP-1092

Gentlemen:

Reference is made to your application for approval of an 80-acre non-standard gas proration unit consisting of the following acreage in the High Nitro-Premier Gas Pool:

EDDY COUNTY, NEW MEXICO
TOWNSHIP 16 SOUTH, RANGE 29 EAST, NMPM
Section 9: S/2 NE/4

It is my understanding that this unit is to be dedicated to your Hinkle Federal Well No. 4 to be drilled at an unorthodox location 1980 feet from the North line and 330 feet from the East line of said Section 9.

Since there are no offsetting operators, the waiting period prescribed by Rule 104 D II may be dispensed with in this instance.

By authority granted me under the provisions of Rule 104 D II, you are hereby authorized to operate the above-described acreage as a non-standard unit.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Joe D. Ramey".

JOE D. RAMEY,
Division Director
