Dear Mr. Stamets:

As we discussed by phone yesterday, Atlantic Richfield has notified all offset operators to our Shipley "A" WN Lease, Section 27 of T-22S, R-36E, Lea County, of our application for a non-standard Jalmat gas proration unit. This was done by certified mail, dated August 4, 1978, as required by New Mexico law.

Thank you for your consideration in this matter.

Sincerely,

Jeff Prude
