Gentlemen:

Wilson Oil Company operated subject gas well since 1951 as undesignated Yates Seven Rivers field. To comply with your recent order R6169 placing the property in the Eumont Y 7R Queen field, Wilson Oil Company respectfully request that the legal subdivision (40 acres) proration unit in unit D (660' from N, 1980' from W.) Sec. 32 T20S R36E, as indicated on attached plat, be approved as an acceptable non-standard gas unit by administrative order without notice or hearing.

The requested approval will permit Wilson to comply with your new order R6169 and the Eumont field rules order R1670.

Phillips Petroleum has been purchasing the gas from subject well for about 10 years.

Respectfully submitted,

WILSON OIL COMPANY
