Attention: Dick Stamets

Gentlemen:

Administrative Approval - Non-Standard Proration Unit

Conoco Inc. respectfully requests administrative approval of a non-standard proration unit for its Britt "B" Well No. 27, Undesignated Abo Pool, said proration unit consisting of the W/2 NE/4 of Section 15, T-20S, R-37E, Lea County, New Mexico, as shown on the attached plat. There are no other offset operators to the proration unit requested; Conoco Inc. operates all leases adjoining the proposed proration unit.

Drilling was completed on the Britt "B" Well No. 27 in September, 1980 and the well is now in the process of being dually completed in the Undesignated Abo and Weir Drinkard Pools, having produced from no other zones. Dual completion application was heard by the NMOCD Examiner on October 29, 1980 as Case No. 7066.

Yours very truly,

HAI:d11
