Drillsite Spacing Unit
Tenneco Navajo Yazza #1
Proposed Gallup Well
San Juan County, New Mexico

Gentlemen:

Attached is a copy of a well location plat (C-102) for the above captioned Gallup well.

The Navajo Yazza #1 Well proposed site is 900' FNL, 900' FEL, Section 23 Township 26 North, Range 12 West, San Juan County, New Mexico. The lease expiration date is prohibiting communitization of said leasehold to form a 320 acre spacing unit because production must be obtained by lease expiration. Application is, therefore, made for ~~160~~ ⁸⁰ acre spacing.

A copy of this application has been submitted to all offset operators and waiver of objection is attached from each.

Pursuant to Authority of Rule 4b(3)p437we respectfully request your approval of an exemption to the standard well acreage dedication requirements.

Very truly yours,
TENNECO OIL COMPANY

J. M. Lacey
