Warrior, Inc. requests approval for dedication of a 160-acre non-standard gas proration unit of its State WE "I" 32 Well No. 3, located in Unit Letter "J", 1980' FEL and 1980' FSL of Section 32, T-20S, R-36E, Lea County, NM, as indicated on attachment.

We seek permission to dedicate a 160-acre non-standard gas proration unit consisting of the SE/4 of Section 32, T-20S, R-36E, Lea County, NM to the aforementioned well. Although field rules designate 640 acres as a standard gas proration unit. development of the pool has generally been on proration units of less than 640 acres.

We therefore request that the Division enter its Order approving dedication of discussed proration unit.
