Gentlemen:

Enclosed are copies of Form C-102 "Well Location and Acreage Dedication Plat" for subject well showing the location and the $280 \frac{1}{2}$ acres dedicated to this well. The non-standard unit is a result of the unorthodox size of the legal subdivisions in the north one-half of the section.

Since the necessity for this non-standard unit meets the requirements set out in Rule 104-D-II, administrative approval of the unit is requested on behalf of our client. If any further information is desired, please call us collect.

Sincerely,

HENRY ENGINEERING
