Gentlemen:

Gas Pool

Apollo Energy, Inc., as operator of the referenced (newly drilled) well request approval for dedication of an 80-acre non-standard gas proration unit. The acreage dedicated, as well as the off-set operators, are shown on the attached map.

Field rules designate 640 acres as a standard gas proration unit, however, development of the pool has generally been on proration units of less than 640-acres.

A copy of this application is being sent to all off-set operators by Certified Mail.

Very truly yours,

APOLLO ENERGY, INC.

Mohammed Yamin Merchant
Vice-President
