Attention: Division Director

Gentlemen:

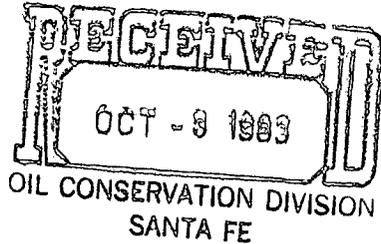

On September 19, 1983, Samedan Oil Corporation requested approval of an unorthodox location for its Hughes B-4 Well #1-H. The well is to be dual completed in the Langlie-Mattix and Jalmat fields.

The Commission brought to our attention that 1) Samedan sent a xerox copy of the C-101 with a xerox signature, 2) Form C-107 had been revised, and 3) Samedan neglected to file for a non-standard proration unit on the Jalmat (Gas) field.

Enclosed are correct forms C-101 and C-107. Offset operators have been notified this date by registered mail of our request for a non-standard proration unit, and a copy of that letter is attached. We hope that this, in addition to the prior submitted information, will be sufficient. I apologize for any inconvenience this may have caused. Should you have any questions, please call me at 915-683-5536.

In reference to the non-standard unit, it is requested of the Division Director to grant administrative approval to this 80 acre gas unit. The following facts are submitted:

- 1) The non-standard unit consists of quarter-quarter sections that are contiguous by a common bordering line. The proration unit consists of Units "A" and "H".
- 2) The non-standard unit lies in a single quarter section, the NE/4 of Section 18, T-23-S, R-37-E, Lea County, New Mexico.

Gentlemen:

On September 19, 1983, Samedan requested approval of an unorthodox location for its Hughes B-4 Well #1-H to be dual completed in the Langlie-Mattix and Jalmat fields. The well is to be located 1345 feet from the North line and 660 feet from the East line of Section 18, T-23-S, R-37-E, Lea County, New Mexico.

At that time, Samedan neglected to point out that the Jalmat (Yates) zone will be filed for a non-standard unit of 80 acres (160 acres required for a standard unit). After your review of this action, should you have any questions, please direct them to this office at 915-683-5536. If you have no objections, waivers sent to the Commission or to Samedan would be appreciated.

Yours truly,
