Re: Administrative Orders  
NSP-1421, 1422, and 1423

Gentlemen:

The attached administrative orders have been amended to clarify the record indicating wells referenced in the orders have been drilled at non-standard locations. Clarification is also reflected in the administrative order number designation, (i.e. NSP-1421 has been changed to NSP-1421-(L)). Other than the clarification, no changes have been made.

Sincerely,
