Re: Application of Conoco, Inc. for a Non-Standard Spacing
or Proration Unit.

Dear Mr. Ramey:

Please treat this letter as the objection of Doyle Hartman to the request of Conoco, Inc. for a 280-acre non-standard proration unit for its Sholes B 19 No. 4 Well located 1,980 feet from the South and West lines of Section 19, Township 25 South, Range 37 East, N.M.P.M., Lea County, New Mexico.

We are presently negotiating with Conoco to exchange waivers on this and other matters and are hopeful that we will be able to advise you within several days that this protest can be withdrawn.

Your attention to this matter is appreciated.

Very truly yours,

William F. Carr
