Re: Eva Owens -A- Well No. 1
Blinbry Pool
Unit Ltr. M, Sec. 25,
T-21-S, R-37-E
Lea County, New Mexico

Dear Mr. Quintana:

Sun Exploration and Production Company requests administrative approval for a non-standard unit for the referenced well, according to Rule 104 II. The Eva Owens -A-, Well No. 3, which is located in Unit Letter K was recently recompleted in the Tubb Pool. Since simultaneous dedication of acreage to oil and gas is prohibited in the Tubb Pool, it is necessary that the operation unit for Well No. 1, in Unit M of this section, be reduced to delete Unit K from the present 160 acre unit.

Attached is the original C-102 form (and copy) outlining the 120 acres that will be dedicated to Well No. 1.

The offset operators have been notified by certified mail of the non-standard unit (Rule 104 II (d)). Also, attached is a copy of the letter mailed to the offset operators.

If you have any questions or need additional information, please contact me at (915) 688-0374.

Very truly yours,

Dee Ann Kemp
