Re: Administrative Approval
Roosevelt County, NM

Gentlemen:

We recently completed the Tom L. Ingram No. 1 Federal "N" as a gas well at a location 660 FNL and FEL of Section 23, T-8-S, R-37-E, Roosevelt County, New Mexico. The well was drilled as an oil well in an undesignated area, but the District Office has placed it in the Bluit San Andres Associated Pool.

This necessitates administration approval for an unorthodox location for a gas well and a Non-Standard Proration Unit (160 acres rather than 320 acres). It, therefore, is requested that the Secretary-Director of the Commission grant an exception to the size and location requirements specified in Order No. R-5353 by authority given in Rule 2-(c).

Copies of this request have been sent to the other offset operators.

Very truly yours,

Tom L. Ingram
