Attention: Chad Dickerson

Administrative Order NSP-1484

Dear Mr. Dickerson:

Reference is made to your application on behalf of Bliss Petroleum, Inc. for an exception to the Special Pool Rules for the Dean Permo-Pennsylvanian Pool, as promulgated by Division Order No. R-892, authorizing a 40-acre non-standard oil spacing and proration unit consisting of the SW/4 NW/4 of Section 35, Township 15 South, Range 36 East, NMPM, Dean Permo-Pennsylvanian Pool, Lea County, New Mexico.

It is my understanding that this unit is to be dedicated to your ARCO State Well No. 1-Y located at a previously approved unorthodox oil well location 930 feet from the West line and 2310 feet from the North line (Unit E) of said Section 35.

By my authorization the above-described non-standard oil spacing and proration unit is hereby approved.

Sincerely,

A handwritten signature in cursive script, appearing to read "R. L. Stamets".

R. L. STAMETS
