Re: Application for Non-Standard Proration Unit  
Minel, Inc.  
Cayias #2  
A-2-T25N-R3W  
West Lindrith Gallup-Dakota Oil Pool

Dear Mr. LeMay:

On behalf of Minel, Inc., we request the approval of an 116.17-acre non-standard proration unit consisting of the north half of the northwest quarter (N/2 NE/4), being Lots 1 and 2 of Section 2, T25N, R3W, in the West Lindrith Gallup-Dakota Oil Pool to be dedicated to the Cayias #1 well drilled at a standard location thereon.

This application is requested because the investment and development was prior to the 160-acre spacing order.

We believe the entire proration unit is productive of oil from the West Lindrith Gallup-Dakota Oil Pool.

A copy of this application is being sent by certified mail to the operators of wells offsetting the proposed unit as shown on the enclosed plat and list.

If further information is needed, please contact us.

Yours very truly,

  
A. R. Kendrick
