Re: Application for Non-Standard Proration Unit
Minel, Inc.
NZ #1
C-1-T25N-R3W
West Lindrith Gallup-Dakota Oil Pool

Dear Mr. LeMay:

On behalf of Minel, Inc., we request the approval of an 155.92-acre non-standard proration unit consisting of the north half of the northwest quarter (being Lots 3 and 4) and the southwest quarter of the northwest quarter (N/2 NW/4 and SW/4 NW/4) of Section 1, T25N, R3W, in the West Lindrith Gallup-Dakota Oil Pool to be dedicated to the NZ #1 well drilled at a standard location thereon.

This investment and development had been made in the 40-acre spaced Ojito Gallup-Dakota Oil Pool.

We believe the entire proration unit is productive of oil from the West Lindrith Gallup-Dakota Oil Pool.

A copy of this application is being sent by certified mail to the operators of wells offsetting the proposed unit as shown on the enclosed plat and list.

If further information is needed, please contact us.

Yours very truly,

A. R. Kendrick
