RULE-104 F(I)

Mr. William LeMay
New Mexico Oil Conservation Division
Post Office Box 2088
Santa Fe, New Mexico 87501

Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Coal Pool.

It is intended to locate the Meridian Oil Inc.'s Mansfield Com #250 at 1420' from the North line and 1190' from the West line of Section 19, T-30-N, R-9-W, San Juan County, New Mexico.

Extremely rough terrain, highway, and pipelines makes it impossible to build an orthodox location in the northwest quarter of this section.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 19, along with an ownership plat, are attached.

Sincerely yours,

Peggy Doak
