Amended Administrative Order NSP-1566

Dear Ms. Bradfield:

It appears that the subject administrative order issued March 27, 1989 contained several land description errors. The county should be changed to Rio Arriba County and the footage location for the San Juan 29-7 Unit Well No. 511 should be in Unit N. All other provisions of said Administrative Order NSP-1566 shall remain in full force and effect.

Sincerely,
