Midland, TX 79702

Attention: A. W. Bohling, Proration Engineer

*Administrative Order NSP-1627(L)*

Dear Mr. Bohling:

Reference is made to your application dated April 11, 1991 for a 160-acre non-standard gas proration unit consisting of the following acreage in the Jalmat Gas Pool:

LEA COUNTY, NEW MEXICO  
TOWNSHIP 25 SOUTH, RANGE 37 EAST, NMPM  
Section 32: W/2 W/2

It is my understanding that this unit is to be dedicated to your existing Arnott Ramsey (NCT-B) Well No. 1 located 990 feet from the South line and 330 feet from the West line (Unit M) of said Section 32, which is an unorthodox gas well location for said unit.

By authority granted me under the provisions of Rules 2(a)4 and 2(c) of the Special Rules and Regulations for the Jalmat Gas Pool, as promulgated by Division Order No. R-8170, as amended, the above-described non-standard gas proration unit and resulting unorthodox gas well location are hereby approved.

*Administrative Order NSP-1627(L)*

*Chevron USA, Inc.*

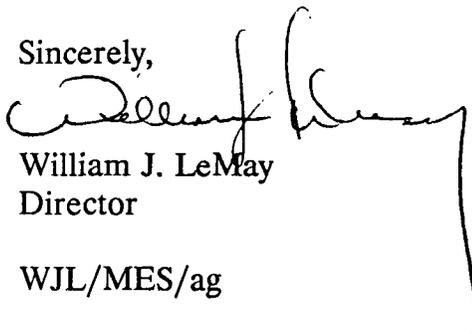

*May 31, 1991*

*Page 2*

---

Furthermore, Division Order No. R-693, dated October 13, 1955 which granted a 320-acre non-standard gas spacing and proration unit in the Jalmat Gas Pool for said well shall be placed in abeyance until further notice.

Sincerely,

A handwritten signature in cursive script, appearing to read "William J. LeMay". The signature is written in black ink and is positioned above the typed name and title.

William J. LeMay
