Re: Application for Non-Standard Oil Proration Unit
Monument Tubb Formation
L.R. Kershaw #14
Unit A, Sec. 14, T20S, R37E
Lea County, New Mexico

Gentlemen:

Texaco respectfully requests administrative approval for a non-standard proration unit for the subject well. L.R. Kershaw #14 is located on a 40-acre parcel, across the section line from the remainder of our L.R. Kershaw lease. Assignment of a 40-acre proration unit with half-allowable would be the most straightforward completion. A map of the subject well with offset tracts, ownership, and wells is attached.

All offset operators have been notified of this application for a non-standard proration unit by copy of this letter.

Sincerely,

T. L. Frazier
