Re: Unorthodox Location & Reduced Proration Unit Size Petition
Federal 17A #2
Bluitt San Andres Associated Gas Field
Roosevelt County, New Mexico

Dear Mr. Catanach:

Union Oil of California at this time requests you grant our petition for an unorthodox location exception and reduced proration unit size of 160 acres in the Bluitt San Andres Associated Field for the Union Oil of California, Federal 17A #2 located 660' FSL & 810' FEL, Sec 17, T-8-S, R-38-E, Roosevelt County, New Mexico.

We have successfully recompleted the above mentioned well in the Bluitt San Andres Field. This well now requires reclassification from oil to gas well in the Bluitt San Andres Associated Field.

The spacing and acreage requirements for the Bluitt San Andres Associated Field are different for those required for the oil field. To meet the requirements of the gas field we are required to file for an unorthodox location exception and reduced proration unit size of 160 acres for the above mentioned wells.

Your prompt consideration of this matter will be greatly appreciated. If you have any questions, please feel free to give me a call.

Very truly yours,

A handwritten signature in dark ink, appearing to read "Clayton O. Carson".

Re: Amendment to:
Unorthodox Location & Reduced Proration Unit Size Petition
Federal 17A #2
Bluitt San Andres Associated Gas Field
Roosevelt County, New Mexico

Dear Mr. Catanach:

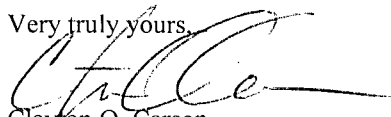

For the above mentioned petition I incorrectly notified Collins Oil & Gas, P. O. Box 2443, Roswell, NM 88202 as an offset lease holder. It has come to my attention that they are not the lease holder of Federal lease # 70232 covering approximately the S/2 of Section 9, T-8-S, R-38-E, Roosevelt County, New Mexico.

Records in Sante Fe office of the Bureau of Land Management indicate the lease holder of record to be:
Collins Oil and Gas Ltd.
3131 Turtle Creek, Suite 810
Dallas, TX 75219

I have today, notified Collins Oil and Gas Ltd. by mail of our recompletion of the above referenced well and our petition for an unorthodox location exception and reduced proration unit size of 160 acres in the Bluitt San Andres Associated Field.

If you have any questions, please feel free to give me a call.

Very truly yours,

Clayton O. Carson
