re: Non Standard locations
Meyers Federal #7 and #8
Sec 22, T24S, R36E - Lea Co., New Mexico

Dear Mr. Lemay;

Tenison Oil Company is an offset operator to these two proposed locations and we oppose the non standard locations. We are concerned about the draining of our leases from these sites. Tenison Oil Company feels that there is no viable reason for the approval of these non standard locations. Also the letter we received states that the #7 and #8 are the well locations in question. Looking at the Acreage Dedication Plats the wells should be the #6 and the #8.

Thank you for your consideration of this matter, if you have any questions please contact me.

Very Truly Yours
TENISON OIL COMPANY
