CASE NO.:26070

**OIL CONSERVATION DIVISION'S
DOCKETING NOTICE**

The New Mexico Oil Conservation Division ("OCD"), pursuant to 19.15.5.10(E)(2)(a) NMAC, gives notice that it has docketed the Notice of Violation ("NOV"), a true and correct copy of which is attached as **Exhibit A**, and states the following in support thereof:

1. On or about March 26, 2026, OCD issued an original NOV to High Plains Petroleum Corp, OGRID #10459 ("Respondent").
2. Based upon information, custom, and belief, certified mail containing the NOV arrived or will soon arrive at Respondent's address of record. Additionally, electronic mail was sent to Respondent's known email addresses of record and based upon past correspondence with Respondent, if any.
3. The NOV identifies the factual basis for the alleged violations, the compliance actions required to remedy the alleged violations, and the proposed sanctions.
4. The Original NOV stated that if Respondent did not informally resolve the NOV within 30 days of receipt of service, then OCD would proceed to a hearing.
5. Unless this case is resolved prior, the period for informal resolution will have elapsed without coming to a resolution prior to May 5, 2026.
6. The NOV states that OCD will hold a hearing on May 5, 2026, should this case fail to be resolved prior to that date.
