Re: **Iron Duke #4H**  
Sec. 9, T-18S R-26E, N.M.P.M.  
SHL: 990' FNL & 200' FWL  
Eddy County, New Mexico

Ladies and Gentlemen:

Nadel and Gussman HEYCO, LLC ("NGH") hereby proposes to drill the above captioned well. The Iron Duke #4H well has been staked and permitted at a location at 990' FNL and 200' FWL, and will be drilled horizontally in the Yeso Formation to an approximate total measured depth of 7,000 feet. This well is to be located on a 160 acre spacing unit in the N/2N/2.

Enclosed is a worksheet stating your approximate working interest in the pro-ration unit of the well. In the event that you elect to participate in the captioned proposed well, please execute one copy of the AFE and return to the undersigned. A Joint Operating Agreement designating NGH as the operator is being prepared for this well to cover the entire north half (N/2), and will be sent to you upon your decision to participate for signature.

In the event you elect not to participate in the captioned well, NGH would like to negotiate an Oil and Gas Lease or a Term Assignment of your interest.

Should you have any questions regarding this proposal please contact Gordon Yahney for any geologic information, Trent Green for any engineering concerns, and me for land concerns at 575-623-6601.

Very truly yours,

  
Colby Booth  
Landman
