1           WHEREUPON, the following proceedings were had at  
2 9:00 a.m.:

3           CHAIRMAN FESMIRE: The Thursday, December 8th,  
4 2005, meeting of the Oil Conservation Commission is hereby  
5 called to order. We have an announcement right off the  
6 bat. Commissioner Bailey is ill, Commissioner Olson's wife  
7 is ill. It's a good thing we didn't have a very busy  
8 docket today.

9           We're going to go ahead and put on the record the  
10 continuances. We're going to let the record reflect that  
11 there was not a quorum present. We will adjourn the  
12 meeting and begin the stakeholders meeting, I will bet,  
13 almost immediately.

14           So the record will reflect that Cause Number  
15 13,590, in the matter of the Application of the New Mexico  
16 Oil Conservation Division for the amendments of the Rules,  
17 7 concerning definition, 202 concerning plugging and  
18 abandonment, and 50 concerning pits and below grade tanks,  
19 will be continued to the March 23rd, 2006, Commission  
20 meeting.

21           Case Number 13,586, in the matter of the  
22 Application of the New Mexico Oil Conservation Division for  
23 repeal of existing Rules 709, 710 and 711 concerning  
24 surface waste management and the adoption of new rules  
25 governing surface waste management, will be continued to

1 the January 12th, 2006, Commission meeting.

2 Cause Number 13,274, the Application of Arch  
3 Petroleum, Inc., for approval of two nonstandard gas  
4 spacing and proration units in the Jalmat Gas Pool in Lea  
5 County, New Mexico, will be continued to the January 12th,  
6 2006, Commission meeting.

7 Cause Number 13,589, the Application of Duke  
8 Energy Field Services, LP, for approval of an acid gas  
9 injection well in Lea County, New Mexico, Mr. Carr, I  
10 understand you represent them in that?

11 MR. CARR: Yes.

12 CHAIRMAN FESMIRE: Do you have anything you want  
13 to put on the record concerning that case?

14 MR. CARR: Not today. We request it be continued  
15 for a month, and we will then be back with you as we get  
16 other approvals from the Land Office and are ready to go  
17 forward.

18 CHAIRMAN FESMIRE: Okay, that case will be  
19 continued to the January 12th, 2006, Commission meeting.

20 And lastly, Cause Number 13,532, the Application  
21 of J.W. Neal, Patricia Neal, and the Claudia Young Trust to  
22 rescind Division Administrative Order Number SWD-984 in Lea  
23 County, New Mexico, is there anyone here representing any  
24 interest in that case?

25 That case will also be continued to the January

1 12th, 2006, Commission meeting.

2 With that, let the record again reflect that  
3 there is not a quorum present, so at 9:04 meeting, the  
4 Commission meeting will be adjourned.

5 (Thereupon, these proceedings were concluded at  
6 9:04 a.m.)
