1           WHEREUPON, the following proceedings were had at  
2 8:15 a.m.:

3           EXAMINER BROOKS: Good morning, ladies and  
4 gentlemen.

5           We're in makeshift quarters this morning, but  
6 this is Docket Number 38-07 of the Oil Conservation  
7 Division.

8           I'm David Brooks, the Hearing Examiner for this  
9 morning.

10           We will begin this morning, as is customary, by  
11 announcing continuances and dismissals.

12           On page number 2, Case Number 13,990 is continued  
13 till December 13th.

14           Case Number 14,025 is continued to December 13th  
15 -- this is on page 3, sorry -- Case Number 14,026 is  
16 continued to December 13th; Case Number 14,027 is continued  
17 to December 13th; Case Number 13,891 is dismissed; Case  
18 Number 14,016 is continued to December 13th.

19           On page 4, Case Number 14,017 is continued to  
20 December 13th; Case Number 14,018 is continued to December  
21 13th; Case Number 13,960 is continued to December 13th;  
22 Case Number 14,028 is continued to December 13th.

23           On page 5, Case 14,031 is continued to December  
24 13th; Case 14,032 is continued to December 13th.

25           Case Number 14,035 is -- this is on page 6 --

1 Case 14,035 is dismissed; Case 14,036 is continued to  
2 December 13th.

3 On page 7, Case 14,037 is continued to December  
4 13th.

5 Case 14,039 is continued, but I'm not sure to  
6 when at this point. Mr. Bruce has requested that it be  
7 continued to December 13th, and Mr. Padilla has requested  
8 that it be continued to January the 4th.

9 MR. BRUCE: Yeah, if we could just continue it  
10 for two weeks, and I'll talk to Mr. Padilla after the  
11 hearing.

12 MR. PADILLA: That would be fine.

13 I thought we continued this case for two weeks,  
14 and the Encore Acquisition case, which is number 27 on the  
15 docket, that will be -- ask to be continued to January  
16 24th.

17 EXAMINER BROOKS: Okay, Case Number 14,039 is  
18 continued to December 13th.

19 Do I understand, then, Mr. Padilla, that Case  
20 Number 13,942 is to be continued also --

21 MR. PADILLA: Yes.

22 EXAMINER BROOKS: -- to December 13th?

23 MR. PADILLA: No, we had asked that one be  
24 continued to January 4th.

25 EXAMINER BROOKS: Okay, Case Number 139,402 [sic]

1 is continued to January 4th, 2008.

2 And on the last page, nothing.

3 There was one other case that we had a motion for  
4 continuance, I had not confirmed with opposing counsel.

5 That was Case Number 14,033 on page 6.

6 MR. BRUCE: Yeah, the Synergy case, Mr. Examiner.  
7 I did speak with Mr. Hall, and actually Mr. Hall and his  
8 co-counsel in this matter, Mr. Larson, have both actually  
9 formally requested a continuance, so I don't think there's  
10 any objection.

11 MR. HALL: That's correct, Mr. Examiner.

12 EXAMINER BROOKS: Okay, Case Number 14,033 is  
13 continued to December 13th.

14 Any other continuances or dismissals?

15 MR. HALL: Mr. Examiner, page 7, Case 13,751 is a  
16 pool rules case. We had requested that that case be  
17 continued for six months and had conferred with Mr.  
18 Williams in Hobbs and Mr. Jones here in Santa Fe. They  
19 agreed to that request.

20 EXAMINER BROOKS: Okay, I don't have a list of  
21 the hearings, and we're supposed to continue to a specific  
22 date. Before I adjourn this hearing I will check on that  
23 and find out --

24 MR. HALL: Just the first hearing date in June --

25 EXAMINER BROOKS: -- what would be the

1 appropriate date to continue. Okay, so it won't have to be  
2 re-noticed.

3 Okay, any other continuances and dismissals?

4 MR. BRUCE: Mr. Examiner, on page 5 --

5 EXAMINER BROOKS: Okay,

6 MR. BRUCE: -- Case 17, 13,981, please dismiss  
7 that case.

8 EXAMINER BROOKS: Okay, Case Number 13,981 will  
9 be dismissed.

10 MR. BRUCE: And I don't know if I heard you. The  
11 one right below that, I also request that that be continued  
12 for two weeks.

13 EXAMINER BROOKS: I think I announced that, but  
14 if I didn't Case 14,032 is continued to December 13th.

15 Any others?

16 MS. MUNDS-DRY: Mr. Examiner, on page 8, case  
17 number 29, Case 13,940. Mr. Bruce and I just conferred,  
18 and he would like to continue that case for a month to  
19 January 10th.

20 EXAMINER BROOKS: Okay, we continued one to  
21 January 4th. Is there -- is --

22 MS. MUNDS-DRY: I think the first hearing date in  
23 January is the 10th.

24 EXAMINER BROOKS: Okay, I think you're probably  
25 right, but let me -- to make sure we don't make any errors

1 in the docket, the one I had announced continued to January  
2 the 4th was 13,942 --

3 MR. BRUCE: The 4th would be a Friday.

4 EXAMINER BROOKS: That's probably not the date,  
5 so...

6 Well, now there's a problem here, the 4th is a  
7 Friday -- no, the 4th is not -- the 4th -- You're right,  
8 the 4th is a Friday, because 1st is a Tuesday.

9 But the 10th could not -- the 10th would be a  
10 Saturday, and -- No, 3rd to the 10th, that's right,  
11 Thursday.

12 Okay, that's -- the 10th is probably right, but  
13 I'll verify that before I adjourn the hearing today.

14 MS. MUNDS-DRY: Thank you, Mr. Examiner.

15 EXAMINER BROOKS: Thank you.

16 Did you have a continuance?

17 MR. PADILLA: The 10th is the right date and --  
18 the 10th is --

19 EXAMINER BROOKS: Yes --

20 MR. PADILLA: -- the right date.

21 EXAMINER BROOKS: -- well, the reason that I want  
22 to be precise about it is because under our rules it says  
23 you must continue to a date certain. And if you don't,  
24 then arguably the case has to be re-noticed, and I don't  
25 want to put anybody to that trouble if it's not necessary,

1 so -- Okay.

2 MR. PADILLA: We wanted to continue it for  
3 approximately a month. That should do it.

4 EXAMINER BROOKS: That would be fine, okay.

5 (Off the record at 8:25 a.m.)

6 (The following proceedings had at 10:00 a.m.)

7 EXAMINER BROOKS: In the absence of the  
8 Division's counsel, I can clarify for the record that  
9 during the break I have ascertained that Ms. Munds-Dry is  
10 correct about the Division's hearing dates. We appreciate  
11 your setting us straight.

12 MR. PADILLA: I took that from the website. You  
13 know, I don't know, I saw it January 4th --

14 EXAMINER BROOKS: So accordingly -- in accordance  
15 with that determination, Case Number 13,942 will be  
16 continued until January 10th.

17 Case Number 13,940 will be continued until  
18 January 10th.

19 And which was the case -- I'm not finding it  
20 here. Which was the case that was to be continued for six  
21 months? Does anybody have that information available?

22 MR. BRUCE: That was that pool rules case.

23 EXAMINER BROOKS: Oh, wildcat, okay, yeah --

24 MS. MUNDS-DRY: I think it's --

25 EXAMINER BROOKS: Case Number 13,751 is continued

1 until June the 12th of 2008.

2 (Thereupon, these proceedings were concluded at  
3 10:02 a.m.)
