Re: Oil Conservation Division Case Number 7887:
Application of Morris R. Antweil for Compulsory
Pooling, Lea County, New Mexico.

Dear Mr. Ramey:

On June 6, 1983, the Division entered Order Number R-7301 in the above-referenced case approving the application of Morris R. Antweil for compulsory pooling of the SW/4 SE/4 of Section 28, Township 19 South, Range 38 East, Lea County, New Mexico.

This order required Mr. Antweil to commence a well on this spacing unit on or before September 1, 1983 and that it be completed by October 6, 1983.

Due to other commitments, Morris R. Antweil will be unable to commence the well in the SW/4 SE/4 of said Section 28 by September 1, 1983 and therefore requests an extension of Order Number R-7301 until November 1, 1983.

Your attention to this request is appreciated.

Very truly yours,

William F. Carr
