Dear Mr. Hancock:

This letter is to inform you that the submitted Dugan Production Corp. 2019 Plans of Development (POD) have been received and approved for the following Federal Units:

- PGA Unit
- West Bisti Gallup Unit
- Sunflower Unit

These Units are located in San Juan County, New Mexico and are approved as of March 11, 2019. Please note approval of these PODs does not constitute approval of specific Applications for Permit to Drill (APD).

A POD is required to be filed annually by the Unit Operator to be submitted no later than March of each year. No extension of time is granted unless an Unavoidable Delay is justified.

If you have any questions, please contact Dave Mankiewicz at [dmankiew@blm.gov](mailto:dmankiew@blm.gov) or (505) 564-7731.

Sincerely,

Richard A. Fields  
Field Office Manager
