2018 Plan of Development

Ladies and Gentlemen:

WPX Energy Production, LLC, as Unit Operator (“WPX”), proposes that no wells will be drilled within the South Chaco Unit during 2018. A map of the Unit is attached hereto as Exhibit A and shows the existing producing wells contained therein. WPX will drill any offset wells that may be required to prevent drainage of unitized substances.

The South Chaco Unit is owned 100% by WPX. If this Plan of Development is acceptable, please signify your approval in the space provided on the enclosed signature page and return an approved copy to WPX.

Sincerely,
