Eddy County, New Mexico

Dear Mr. Armstrong:

We are in receipt of your letter of August 9, 2017, together with the commercial determination data for the above referenced well.

The Bureau of Land Management, by their letter of October 3, 2017, advised this office that they agree with your determination that the Poker Lake Unit No. 49 is not capable of producing unitized substances in paying quantities from the Delaware Formation.

Please be advised that the New Mexico State Land Office concurs with the Bureau of Land Management's determinations:

Well Name & Number	Location	Pool/Formation	Completion Date	NM State Land Office Determination
Poker Lake Unit No. 49 API # 30-015-23430	17-24S-30E	Nash Draw; Delaware/ BS (Avalon Sand) (47545)	10/7/2003	Non-Commercial

This well should be produced on a lease or communitization basis. The well's Delaware completion is not entitled to be part of a Participating Area.

If you have any questions or if we may be of further assistance, please contact Units Manager Marilyn Gruebel at 505.827.5791.

Respectfully,

AUBREY DUNN
