Administrative Order NSL-168

Gentlemen:

Reference is made to your application for approval of an unorthodox well location for your Hawaiian-New Mexico Oil Ventures Well No. 1 to be located 51 feet from the West line and 1530.5 feet from the North line and in the SW/4 NW/4 of Section 27, Township 7 North, Range 4 West, Valencia County, New Mexico.

It is our understanding that this unorthodox well location is based upon extreme topographic conditions in the NW/4 of said section.

By authority granted me under provisions of Rule 104 (f) of the Commission Rules and Regulations, you are hereby granted an exception to Rule 104 (b) (1) of the Commission Rules and Regulations for the above described unorthodox well location. You must also obtain like approval from the U. S. Geological Survey if the well is located on land subject to the jurisdiction of the U. S. Geological Survey.

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director
