Township 7 North, Range 4 West,
Valencia County, New Mexico.

Dear Sir:

Reference is made to your letter dated October 8, 1959 in which you apply for temporary abandonment of the subject well. Action on your application has been deferred pending receipt of delinquent forms requested in my letter to you dated September 29, 1959. Upon receipt of said delinquent forms temporary abandonment will be granted to extend only to January 1, 1960 at which time drilling is to be resumed or the subject well plugged and abandoned.

I ask you to again refer to my letter to you dated September 29, 1959 and to comply with the requests made. It is also requested that you inform this office 24 hours prior to the time you plan to set the temporary plugs in the subject well so that a Commission representative can witness the setting of said plugs.

An answer as to your intentions in the handling of this matter is expected by return mail.

Very truly yours,

J. E. Kapteina
Engineer
