

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

THE BOARD OF DIRECTORS

The Board of Directors of the Company has the honor to acknowledge the receipt of the report of the Management Committee for the year ended 31st December 1954. The report contains a full and complete statement of the affairs of the Company and of the results of its operations during the year. The Board is satisfied that the Management Committee has discharged its duties in a most efficient and economical manner and has achieved a high degree of success in its operations. The Board is also satisfied that the Management Committee has maintained the highest standards of integrity and honesty in its dealings with the Company and its shareholders. The Board is further satisfied that the Management Committee has maintained the highest standards of efficiency and economy in its operations. The Board is, therefore, in a position to recommend the report of the Management Committee to the shareholders for their consideration and approval.
