Dear Sir:

Please refer to the attached form received from your company.

We must advise that this office does not handle rentals or any of the points involved in your request. If the well is on a state lease, you might receive such information from the State Land Office, Santa Fe; if it is on privately owned land, the information would have to be obtained from the landowner.

This office holds the F. E. Sauble bond as a plugging bond only, to insure that the well will be properly plugged.

Very truly yours,

R. R. Spurrier
Secretary - Director

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it contains the President's message to the Congress at the beginning of his second term. The letter is written in a formal, dignified style, and it is a very good example of the President's power and authority.
