Dear Charlie,

Attached please find your approved copy of C-102, Notice of Intention to Plug the above captioned well.

I have received the C-103, Report on Result of Plugging this well as submitted by Mr. H. D. Roberts, from Denver but am forestalling approval of same pending my final inspection of the lease after Continental has had the pits levelled and premises cleaned up. Similarly, I am awaiting the final clean-up and levelling at the #1 Maxwell Land Grant well and the #1 St. Louis, etc. well.

Kindest personal regards,
