Dear Sir:

P
Please find attached your approved copy of the C-103,
Report on Result of Casing Shut-off, at the above captioned well.

I wish to acknowledge receipt of the corrected Form
C-105, Well Record, as similarly submitted by your office.

Y
Still pending is a report, on Form C-103, of the final
work done on the well, pits, premises, etc. I understand that
the well is to be plugged back for conversion to a water well for
use by the landowner. A signed acceptance of the well as left by
your company and accepted by the landowner would be proper and
would release you of any further responsibility as to the well's
eventual plugging and abandonment.

Very truly yours,

EUGENE A. CHAVEZ,
Oil & Gas Inspector - District #4
