**Dear Sir:**

I am enclosing your report on the surface casing job and shut-off test as submitted by you on our Form C-103 for your amending. You have stated that 10 3/4" casing was set on bottom and as I don't know what the total depth was at the time of the job I don't know how much casing was run. Please clarify and return the forms at your earliest convenience.

**Very truly yours,**

**EUGENE A. CHAVEZ,  
Oil & Gas Inspector - District #4**
