Dear Sir:

Reference is made to your letter of January 18, 1956, with which you enclosed Form C-101, Notice of Intention to Drill, for the above-captioned well and also a plugging bond to cover same.

It is my understanding that the bond has been returned because it did not meet the \$5,000 minimum which the Commission has required for several years now for one-well bonds.

It is also noted that no surveyor's plats accompanied the Notice of Intention to Drill, as required by Rule 1104. Please supply us with a minimum of four surveyor's plats designating the well location.

Very truly yours,

**D. S. Nutter
Petroleum Engineer**
