Gentlemen:

Thank you for your letter of October 11, 1956, enclosing
approved copies of Forms C-102 and C-103.

Our HMB Well #1 has approximately 46 feet of fish in the hole
at 657 feet. We fished approximately ten days in an effort to
recover the fish and then attempted to sidetrack about 37 feet
below the top of the fish, but have been unable to recover it.
We have temporarily suspended operations and will advise you of
our further decision shortly.

Very truly yours,

Orris R. Hedges
